Together We Thrive

Youth Substance Use and Mental Health Awareness Town Hall

At the Brownstown Event Center, 23345 King Road, Brownstown MI 48183

Adolescence is a time when the first signs of mental illness often appear and also the time when drug use typically starts. As concerns about youth mental health continue to grow and youth overdose rates are rising, it's time to come together to show them we care.

To RSVP please contact Lisa Horvath at
lhovath@guidance-center.org
or 734-785-7705 x7361.
